

# OFFICE OF THE PRINCIPAL, CHRIST COLLEGE CUTTACK

## FOR +2 ONLINE CLASSES

Dear Students / Parents,

You will be glad to know that the classes of +2 2nd year students of science arts and commerce will commence from **2nd of July 2020** through online mode only until further orders from Govt.

Keeping in view of lockdown restrictions due to pandemic COVID 19, Christ College administration has decided how to not only complete the +2 class IX & XII syllabus, but also impart quality teaching through our qualified faculties through online mode. Only difference is that the students need not go to College, but to stay at home and attend classes as per timetable through the mobile or computer with internet.

The timetable for online classes has already been circulated to students in their respective WhatsApp group. All teachers have also provided their zoom ID with a simple password for convenience of students to login. You have to follow the timetable and login before five minutes of every class as per timetable. Always make sure that your smartphone is sufficiently charged and have data balance. If you have any doubts or queries regarding the online classes, you can contact to your respective mentor from WhatsApp. **Mentors for Science are Dr. Abhijit Sarangi and Mr Santhosh Kumar Nathsharma** in charge of section A and B; **for Commerce Jiwan Jhunjunwala and Dr Mrs Sanju Sarma** are mentors of section A & B; for **Arts Mrs Nibedita Das and Mrs Arpita Singh are the mentors** section A and B respectively.

Parents are requested not to forego this opportunity . They should arrange this facility for their wards or share together with a class mate. Even students need not go to tuition. Teachers will also clarify their doubts, if students will ask through chatting.

Wish all the Students and Parents good luck and successful careers.
