Minutes of the Career Counseling program held on 01.11.2021

The Career Counseling and Placement Cell of Christ College, Cuttack organised a career counselling program on 01.11.2021 at the ZLT-1. A Bhubaneswar based software company **CODEKART SOLUTIONS Pvt, Ltd.** conducted this training program to aware the students about the benefits of learning coding in computers. How this will help them to easily get a software job after completing their graduation. They offered the students to go for an interview for getting training from the company completely free of cost. More than 70 students participated in the program. The CEO and all major officers of the company came to interact with the students.
