

33rd Annual Report of the CHEMISTRY SEMINAR

Esteemed president, honourable guests of this bright afternoon, my revered professors & my loving friends.

It is my honour to deliver the 33rd annual report of the chemistry seminar.

The 2012-2013 academic session, was started with welcome ceremony of our +3 1st year students which was organized in a sophisticated way and was a great success.

The annual function of the chemistry seminar was held on 2nd Feb 2013. The meeting was inaugurated by our esteemed Principal Prof. Mrs. Snigdha Mishra Madam. All the staff members, students were highly pleased to have Prof. (Dr.) Prakash Mohanty Sir as Chief guest in that podium.

The meeting was started by representation of Seminar report of 2012-2013 academic session by student secretary Mr. Altamas Hasi & was followed by the welcome speech given by the head of the Department, Mr. Alok Mishra Sir.

The main highlight of the annual Seminar 2013 was the talk given by Prof (Dr) P. Mahanty Sir. The talk was mainly focused on the application of Solubility Product & common in effect in presence of basic radicals, during mixture analysis. The topic was so well furnished that all the staff members as well as students really enjoyed the talk.

Finally the meeting was concluded by vote of thanks given by Asst. Seminar Secretary Mr. Priya Ranjan Dash.

Ultimately, thanking you all, the guest & the fellowstudents, who are present in this gathering for their active co-operation to make the function a grand success.

Again thanking you all

(Secretary Chemistry Seminar)

Prof. Alok Mishra
